President's Message

John R. DiSessa, CEC, AAC

John DiSessa, CEC, AAC –
Club President

Hello Epicurean Club members,

I hope this message finds you and your families safe and well.

As we moved out of May and into June, Covid-19 still offers some challenges. It looks like restaurants will start opening (outdoor seating and social distancing still applies). Chefs are starting to think about getting back into their kitchens and the ACF Chef Connect Nashville is being planned for October 26th-28th. All of this is exciting and gives us hope that our country and economy will soon improve, and our lives will start to come back to normal.

The Epicurean Club of Boston's second virtual board meeting was a huge success. We were able to take care of the typical business and

responsibilities it takes to run a successful club. Discussed were more upcoming virtual membership meetings as we continue to endure the Covid-19 Pandemic. As always, our all-volunteer board is working hard to ensure that our club stays safe and relevant while continuing to grow with common culinary trends. We look forward to serving you.

The Science of Beer - Free Class

Stay Tuned for an amazing event host by Sterling Silver.

June 10th is
National
Iced Tea Day!

A cup of black tea has half as much caffeine as a cup of coffee.

In one day, an experienced tea picker can collect around 70 pounds of tea! That's enough tea to make 14000 cups!

A large amount of caffeine is released from tea after the first 30 seconds of brewing.

There are four main types of tea: white, green, oolong, and black.

LOOKING FOR A JOB!

Even though a lot of employers are closed because of the Covid-19 Pandemic, some are gearing up to fulfill hiring needs when things get back to normal. Please see this open job opportunity below.

EXECUTIVE CHEF OPPORTUNITY AT BRAE BURN COUNTRY CLUB

Brae Burn Country Club, a prestigious, family focused club located in Purchase, New York, is searching for a hands-on executive chef to grow, elevate and lead its active culinary program. The club embodies the concept of "family" with a very social and inclusive membership and a collaborative, professional and supportive team. Successful candidates have experience positively leading active a la carte dining programs as well as large banquet events simultaneously. If you have a track record of leading high quality, creative and consistent operations, as well as a passion for hospitality and "creating a home away from home for members and guests," look no further than the executive chef opportunity at Brae Burn Country

Club. [Apply here.](#)
